## Description

Centaurus is a SB P A SRC protection class safety boot recognized for its lightness, sustainability and its quick tighten system. Developed with a water repellent and eco sustainable textile (TEX-PET), and an abrasion resistant TPU + EVA sole significantly increasing the overall comfort and lightness of the product. The composite toe cap and flexible kevlar midsole makes Pegasus a 100% metal free product.

Unisex safety shoe ranging from size 39 to 47, Pegasus is ideal for construction, logistics, transport, and everyday activities.
