Eczema Gloves Bamboo®

Skin-friendly, made of bamboo viscose fiber

- Many adults suffer from eczema, and suffering itching and discomfort at their hands. These super soft gloves, which are made from health-friendly and biodegradable bamboo, will prevent the user from scratching directly on eczema / wounds, keeping the cream that is used in the treated area to last longer.
- The gloves have a perfect stretch fit, and they are very comfortable to wear. The gloves can be washed at 60 °C and will keep their good qualities wash after wash.
