Protection Class SB P A SRC

Sizes 39-47 (UK: 6-12)

Description

Borealis is a SB P A SRC protection class safety shoe recognized for its lightness, comfort and its quick tighten system. Developed with a breathable lining, a water repellent knit upper and an abrasion resistant Rubber + EVA sole significantly reducing the overall weight of the shoe and increasing its comfort. Foot health and safety are ensured by the composite toe cap and flexible kevlar midsole making it a 100% metal free product.

Safety shoe ranging from size 39 to 47, Borealis is ideal for logistics, and everyday activities.

Characteristics

Sole

Rubber + EVA
