Description

Cool 22 is a S3 SRC WRU protection class safety shoe recognized for its comfort. Developed with a water repellent full grain leather, a breathable lining textile and an abrasion resistant double density PU sole which significantly reduces the overall weight of the shoe. Foot health and comfort are ensured by the composite toe cap and flexible kevlar midsole making it a 100% metal free product. This product is incorporated with Clima Cork System technology which regulates the temperature of the feet.

Unisex safety shoe ranging from size 35 to 48, Cool 22 is ideal for logistics, transport, and everyday activities.
