## Marking

The label inside the footwear shows the following information:

CE Marking (at least 5 mm high)  
CE0465 (III category only)  
Name and postal address of the Manufacturer  
manufacturer's type designation  
the number and year of the reference European standard  
Category and additional requirements of the PPE  
Harmonized pictogram  
Month and year of fabrication  
Size  
Batch number  
Reference of informative note

(\*) Subsystems and safety components which are in conformity with harmonised standards or parts thereof the references of which have been published in the Official Journal of the European Union shall be presumed to be in conformity with the essential requirements set out in Annex II Regulation (EU) 2016/425.

**Validity conditions:** This certificate is valid for 5 years from the date of issue. On expiration the manufacturer shall ask for its renewal. The rules applied are those in force on the date of issue shown on this certificate; The validity of the certificate is no longer guaranteed if substitutive standards are issued before the expiration date.

All changes made to the model and to the materials described in this EU type-examination certificate shall be reported to and approved by CIMAC.

This EC Type-Examination Certificate may be integrally duplicated; the copy must be faithful, legible (if pint size) and must contain the bold caption "TRUE COPY".

This certificate must be kept by the manufacturer to be shown, on request, to the inspection or notifying authorities.

Reference to informative note

(\* )Subsystems and safety components which are in conformity with harmonised standards or parts thereof the references of which have been published in the Official Journal of the European Union shall be presumed to be in conformity with the essential requirements set out in Annex II Regulation (EU) 2016/425. In the evaluation of conformity, the users should verify the correspondence between their risk assessment and the one described in the above-mentioned standard.

**Conditions for validity:** The validity of the test report herein depends upon the surveillance activities envisaged by Regulation 2016/425, to be implemented within 12 months of the date of issue shown below. The standards applied are those in force on the date of issue indicated in the test report herein. All modifications made to the model and the materials and the place of manufacture, subject of this EU test report, must be reported and approved by CIMAC. This EU test report can be reproduced in its entirety; the copy must be faithful, readable (if in small format) and must contain the wording in bold "TRUE COPY OF THE ORIGINAL". This test report must be kept by the manufacturer in order that he may produce it, on request, to the control body or supervision administration.
